

Panoramic Forklift Safety Mirrors

More visibility, more safety

Mirror, mirror on the wall..... Which truck makes the fewest accidents? Those who have a Jungheinrich Panoramic Mirror installed!

Be safe, Be seen – The 180° view mirror gives the driver a huge spatial control over their immediate environment. The original Jungheinrich Panoramic mirror is made of impact scratch-resistant ABS plastic and has a chrome-plated mirror surface. This makes the unit virtually indestructible and suitable for deployment in all weather conditions. Take advantage of our special offer at only €70.00*.
